

*your first choice  
for heart healthy  
ingredient solutions*

Choose from multiple proprietary science-based ingredients and combinations in our award-winning **Cholesstrinol™** family of heart healthy products.

SourceOne has assembled an impressive and enviable portfolio of complementary condition-specific ingredients that address the most pressing health concerns, including heart health, Type II diabetes, metabolic syndrome and more. These unique formulas are entirely proprietary to our exclusive research and development partner companies.

We offer a wide range of compelling products that boost our manufacturing partners' success in the marketplace, and back them up with innovative marketing packages, strong customer relationships, and unmatched customer service.
